Cremation Society of the Quad Cities™ provides a restricted selection of services designed to meet the needs of those who want simple cremation with limited options. We are not a funeral home and do not provide embalming services or caskets. These items and more complete services are available through our affiliated firm, Trimble Funeral Home. All cremations are performed at Trimble Crematory at Trimble Pointe, which provides both an on-site climate controlled holding facility and a private on-site crematory. These prices are effective July 15, 2015.

**CREMATION SOCIETY OF THE QUAD CITIES™ MEMBERSHIP ..... \$ 49**

This is a one time, non-refundable fee to become a member of Cremation Society of the Quad Cities™ during your lifetime. You must become a member and complete all required forms 48 hours prior to your death to receive the member price for any of our Cremation Society Packages and services.

**NON-MEMBER FEE ..... \$300**

Because there can be considerable savings in time and efficiency when documents and authorizations are filed with our office in advance, this fee will be added to the services selected when membership requirements are not met prior to death.
